

Comprehensive Digestive Support

10 Pancreatin

Digestive Effects of Oral Enzymes

- Pancreatic enzymes break down nutrients in food
 - Protease, trypsin, chymotrypsin: protein
 - Amylase: carbohydrates
 - Lipase: fats
- Plant sourced enzymes in formula are focused on inflammation
 - Bromelain: protein
 - Papain: protein
 - pH range versatility

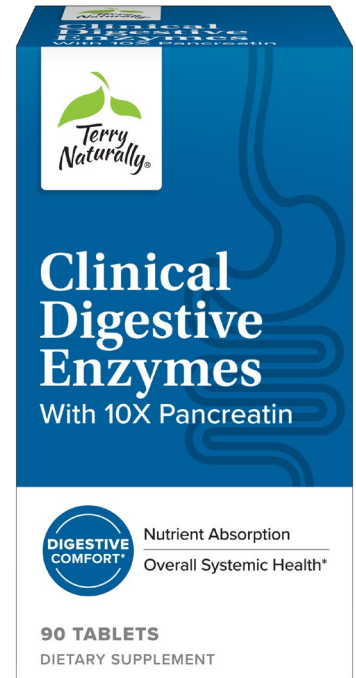

Effective Relief of Functional Dyspepsia

Clinical research studies incorporating supplemental oral enzymes report significant reductions in

- Stomach pain after eating
- Fullness
- Bloating
- Nausea
- And improvements in sleep quality

Clinical Digestive Enzymes

- **Full-strength, undiluted 10x pancreatin**
 - Provides amylase, protease, and lipase pancreatic enzymes plus trypsin and chymotrypsin
 - Boosted with additional plant-based enzymes: papain and bromelain
- With meals: aids in digesting proteins, carbohydrates, and fats*
- Between meals: relieves muscle pain and aids in exercise recovery*†

SUPPLEMENT FACTS		
Serving Size: 2 Tablets		
Servings Per Container: 45		
Amount Per 2 Tablets:		%DV
Pancreatin 10X providing	216 mg	**
Amylase	54,000 USP	
Protease	54,000 USP	
Lipase	4,320 USP	
Trypsin	64 mg	**
Papain	59 mg	**
Bromelain	12 mg	**
Chymotrypsin	1.5 mg	**
**Daily Value (DV) not established.		

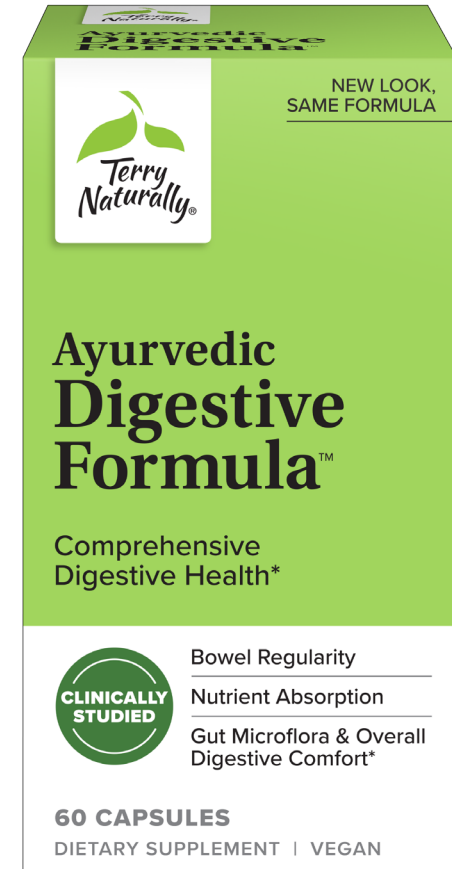

Recommendations: 1-2 tablets up to three times daily before each meal to support optimal digestion. 1-2 tablets up to three times daily between meals to relieve occasional muscle pain and inflammation due to exercise or overuse.*

† Occasional muscle pain or inflammation due to exercise or overuse

Ayurvedic Combination For Digestion

- 28-day study of combination of 14 Ayurvedic herbs vs. placebo in 50 adults with gastrointestinal issues (constipation/indigestion/acid reflux)
- Results
 - 75% reduction in abdominal pain (no change in placebo)
 - 70% reduction in indigestion (no change in placebo)
 - 77% reduction in acid reflux (no change in placebo)
 - 76% had normal bowel movements on day 28 (4% of placebo group – no change)

Percent of Participants Experiencing Normal Bowel Movements (day 0 to day 28)

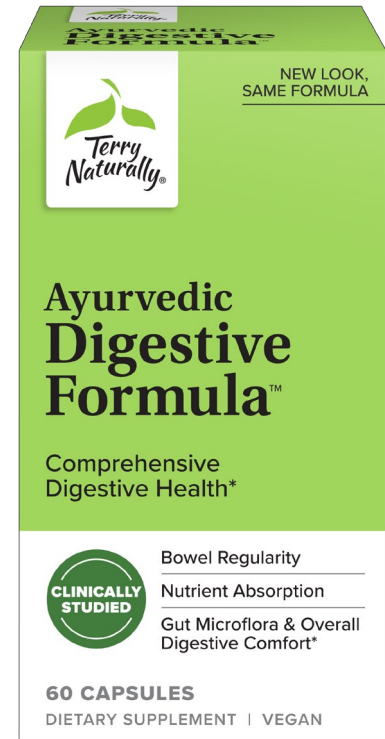

Ayurvedic Digestive Formula™

- Clinically studied, traditional herbal formulation for digestion*
 - Combination of 14 Ayurvedic herbs that support liver function and intestinal activity*
 - Not a laxative
- In a clinical study versus placebo:
 - 75% reduction in abdominal pain, versus no change in placebo
 - 70% reduction in indigestion, versus no change in placebo
 - 77% reduction in acid reflux versus no change in placebo*†

Recommendations: 2 capsules daily, taken with 8 oz of water before bedtime

†Relief of occasional abdominal pain, indigestion, and acid reflux

Additional support

Probiotics For Regularity

- New study: 80 adults age 65 or older with constipation were randomized to receive either a probiotic supplement or a placebo daily for four weeks
- Results: no significant changes were seen in the placebo group, while the probiotic group had a nearly **25% reduction in their overall constipation symptoms** (frequency of bowel movements, abdominal pain, and bloating), including a **47% improvement in bowel frequency**

FloraSure Probiotic

***FloraSure* probiotic blend: 20 billion live, active probiotic bacteria**

Hardy strains – human specific

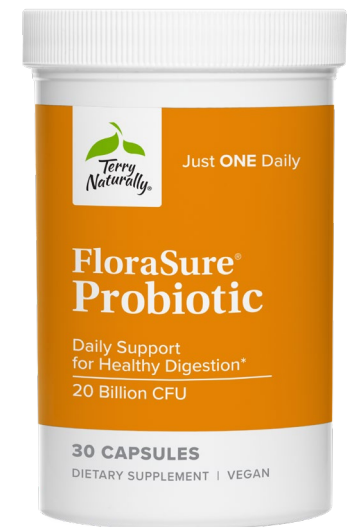

Relieves occasional

- Gas
- Bloating
- Cramping
- Irregularity
- Diarrhea
- Constipation*

Recommendations: one capsule daily, with food.
