When your dog maintains normal bladder health and control—you're happier, and so is your dog!

Whether your dog was spayed, can't handle too much excitement, or just gives "that look", Bladder Control can make all the difference.

You can count on Bladder Control:

- To help normalize bladder muscle function
- Help maintain normal function of the urinary tract

What's Inside:

Bladder Control has a powerful extract from the *Angelica archangelica* leaf, harvested from wild plants and grown in the pure air and soil in Iceland. This prized botanical has been used traditionally in Iceland for over 1,000 years. Today it provides the key compound that promotes optimal bladder health for your pet.

Time to say goodbye to "oh-no" and hello to **Bladder Control**.
