Intelligent Omega is the smart choice to help your dog with trainability and learning through every stage of life.

Purity and Safety Matter

Sourced from Atlantic salmon, **Intelligent Omega** is the ideal omega-3 for your cherished pet. Using a unique preparation method with water and enzymes—never harsh solvents—you are assured a stellar product without rancidity or toxins.

The Unique Way to Get Omega-3s

Surpassing unstable fish oil, **Intelligent Omega** delivers valuable DHA and EPA attached to phospholipids for better absorption, and peptides that support brain health.

Intelligent Omega is the simple and effective way for your pet to get those all-important brain, heart, and eye supporting omega-3s from salmon, in a tasty soft chew.

What's Inside:

- DHA and EPA, crucial omega-3s for brain, heart, and eyes in the perfect bioidentical form—all without oil, rancidity, or dangerous amounts of heavy metals
- Omega-3s from salmon—derived without harsh solvents
- Better absorption because omega-3s are bound to phospholipids
- Peptides that support brain health

Move to the front of the class! You have the answer to help your dog learn and thrive—**Intelligent Omega** from salmon.
